CL02 DISABILITY INCLUSION ACCESS PLAN 2026-2030

Soheil Derakhshan entered the meeting at 4:13pm.

Ms Canzian provided an overview of the Disability Inclusion Access Plan, outlining its key components and objectives. She informed the Committee that a review of the Plan was undertaken last year following community consultation. It is now required that the plan be “remade” and adopted by 30 June 2026. Further community consultation will be required.

Ms Canzian also suggested that a walk event be organised to take place on 3 December 2025 in celebration of the International Day of Persons with Disabilities. The Committee discussed potential locations, times, and activities for the event, recognising it as a valuable opportunity for community consultation. Councillor Blumer noted that service providers, schools and relevant organisations and individuals within the sector be invited to participate.

Councillor Blumer raised the idea, that a Committee meeting be held at Kurrajong Lifestyle Choices during the consultation period of the DIAP.

Ms Biondo enquired about the focus of the consultation, asking whether there would be specific questions or targeted areas of concern. In response, Councillor Blumer explained that the consultation process involves engaging with various community groups using different consultation methods, with various questions. Feedback gathered including ideas, actions, themes, and concerns will be compiled into a report with recommendations for further consideration.
